Puja Poddar
Assitant Software Engineer- Developers
E-Mail: puja.ag7@gmail.com
Phone No: +91-8927588164

CAREER OBJECTIVE:

In pursuit of a challenging career in the field of Software development with committed and dedicated people of hi-tech environment which provides opportunities to work on state of art technologies to tap my potential to the maximum.

SUMMARY:

- **3.4 Year** experience in **Software Development** in Tata Consultancy Services.
- **Six Sigma Green Belt Certified.**
- Working Experience in **Java, Javascripts and OAF development projects.**
- Working knowledge of **PL\SQL**.
- Good knowledge of s/w development life cycle & testing life cycle.
- Good experience in **HRMS Domain.**
- Familiar with Servlets and jsp life cycle.
- Involved for preparing **Requirement document, project plan, Impact analysis, test cases and delivery release note**
- **Sound knowledge of HRMS Domain**.
- Involvement of Weekly meetings for the Status update.
- Mentoring the resources on the projects involved.
- Ability to work effectively in a fast paced environment.
- Having excellent reverse engineering and troubleshooting skills
- Honest, zeal to learn and excel new technologies, optimistic.

EDUCATIONAL QUALIFICATION:

- **B.Sc in Electronics** from **Pune University** in March - 2007.
- **C.B.S.E (Higher Secondary)** from Pelling Senior Sec School, Sikkim in March- 2004.
- **C.B.S.E (Senior Secondary)** from Pelling Senior Sec School, Sikkim in March- 2002.

SKILL SET:

Hardware	Software Products	Tools
Windows XP	JAVA, PL\SQL, JSP, Servlets, MVC framework, iText library, OAF, JUnit framework.	Eclipse, JDeveloper , PL\SQL Developer , VSS, SVN **Server** - JBOSS

Assignments

The details of the various assignments that I have handled are listed here, in chronological order.

Project	**Spare Parts and Catalog Generation**
Customer	GE Infrastructure – Aviation and Energy
Period	JUL-2008 to FEB-2009
Description	This project involved the following activities:
	The Catalog Generation project was used to create Spare Parts and Component Repair catalogs leveraging the iText components in the eCRD applications. iText is a standard component library that creates .pdf document as required by the business. The catalog generation process was executed in a batch mode and was written directly to a NAS space on the CWC.
Role	Developer
Solution Environment	Java , PL\SQL, JDBC connection , iText Components
Tools	PL/SQL Developer , Eclipse

Project	**Global eDistrib**
Customer	GE Infrastructure – Aviation and Energy
Period	FEB-2009 to April-2009
Description	This project involved the following activities:
	The eDistrib application usage was restricted to Aviation and US export country. Business had vision to facilitate the bi-directional data exchange for other export countries and business.
	The objective of this project was to facilitate data exchange for UK and Other export countries according to respective countries export control law. Also let other GE businesses to use this tool.
Role	Tester
Solution Environment	Java/J2EE, Oracle, Mercury Quality Center
Tools	PL/SQL Developer, Eclipse, Mercury Quality Center

Project	**GAMS eMSA 2009**
Customer	GE Infrastructure – Aviation and Energy
Period	April-2009 to May-2009
Description	This project involved the following activities:

	Scope of the Project:
	• Fixing SCABBA issues
	Overview of the Project Modules
	eMSA: eMSA is responsible for maintaining the financial models for all locomotive maintenance service agreements, and falls under the scope of Sarbanes-Oxley controls.
Role	Developer
Solution Environment	Java/J2EE, JBOSS, ESAPI jar
Tools	Active Process, Eclipse

Project	**GAMS eServices 2009**
Customer	GE Infrastructure – Aviation and Energy
Period	May-2009 to July-2009
Description	This project involved the following activities: Scope of the Project: • Fixing SCABBA issues • Migration of few Jsps to Spring Framework • Integration of Spring and Non-Spring Jsps Overview of the Project Modules eServices: eServices is primarily a Work Order system for the maintenance of Locomotives that GE covers under long term service agreements with various railroads.
Role	Developer, Integration lead, Test Lead
Solution Environment	Java/J2EE, Spring Framework, Mercury Quality Centre
Tools	PL/SQL Developer, Eclipse, Mercury Quality Centre

Project	**Ratings Integration** (**My Organization**)
Customer	GE Corporate Information Services
Period	Aug 2009 to Nov 2009
Description	This project involved the following activities: Scope of the Project • Single storage of ratings. • Flexible entry points. • Integrated rating change process. • Enable business to have consistency and flexibility in terms of timing and utility. Overview • The My Organization (eSessionC) Tool is stand-alone system for the purpose of being used at all levels of the organization.

	• The system integrates individual employee information stored within the Oracle Human Resources (OHR) system with manually imputed fields from his/her Manger/HRM/O&SM/SHRM to create a complete and seamless Session C presentation. SessionC is an integral part of GE's business model. • It was a critical project as both the applications are critical for employee appraisal process in GE
Role	Developer
Solution Environment	JBOSS , MVC Framework
Skill/Tools	PL/SQL Developer Eclipse, JSP, JavaScript

Project	**Minor Project (Best Bets and Succession Plan)**
Customer	GE Corporate Information Services
Period	Nov 2009 to Jan 2010
Description	This project involved the following activities: • Eliminate band selection errors • Provide Chairman and Exec Development team easy access to data on successors during Session C reviews Overview • The My Organization (eSessionC) Tool is stand-alone system for the purpose of being used at all levels of the organization. • The system integrates individual employee information stored within the Oracle Human Resources (OHR) system with manually imputed fields from his/her Manger/HRM/O&SM/SHRM to create a complete and seamless Session C presentation. SessionC is an integral part of GE's business model
Role	Developer
Solution Environment	JBOSS, MVC Framework
Tools	PL/SQL Developer, Eclipse, JSP, JavaScript

Project	**Oracle Human Resources (OHR) system**
Customer	GE Corporate Information Services
Period	Jan 2010 to till date
Description	This project involved the following activities: Enhancement of various components of GE HR system.
Role	Developer
Solution Environment	• OAF

	• MVC Framework
Tools	PL/SQL Developer, JDeveloper

The details of the various assignments that I have handled in academics

Project	ph meter
University	Pune University
Period	3 months
Description	The main objective of this project is to measure the ph of a solution in few second. It aims at the digitized method, which is handled manual in most of the labs.
Role	Developer
Tools	PCB layout, digital multimeter and electronic tube.
Highlights	Key Responsibilities Includes • Prepared circuit diagram. • Built PCM layout. • Prepared the whole set up. • Checked for different solution. • Prepared project Documents.

The details of the various assignments that I have handled in the Ignite training

Project	Online Book Store
Period	1 month
Description	The main objective of this project is to create a software package for the Book Store. It aims at the buying and reserving process of the books.
Role	Developer
Tools	C, Unix
Highlights	Key Responsibilities Includes • Prepared Test cases. • Executed Test cases. • Checked for Data validation.

Project	Online Library Management System
Period	1 month
Description	The main objective of this project is to create a software package for the Library Management It aims at managing the records of books, issues and the author details.
Role	Developer
Tools	Java, Unix
Highlights	Key Responsibilities Includes • Prepared Test cases. • Executed Test cases. • Checked for Data validation.

Career Profile

Dates	Organization	Role
16 Nov, 2007 – 30 April 2011	TATA Consultancy Services	Assistant Software Engineer
1 June 2018 – 31 Jan 2019	CMS Computer Institute Siliguri	Faculty

Personal Details

Full Name	Mrs Puja Poddar
Husband Name	Mr Akash Poddar
Date of Birth	7th sept 1985
Address	Sevoke road ,Siliguri, West Bengal
Contact Number (Resi)	8927588164
E-mail Id	Puja.ag7@gmail.com
Nationality	Indian
