Subject- application for the post of “Bengali” teacher

Respected sir/madam,

This is response to your advertisement published in Facebook page of your Institution for the post of Bengali teacher. I would like to apply for the same and thus request you to consider this application for teaching job in your school.

I hold a master degree in Bengali and completed my B.Ed. and currently pursuing Ph.D. My qualification and experience match your requirement. I am very enthusiastic for teaching and if I'm selected, I shall do my best to give you full satisfaction.

I have attached my detailed resume for your consideration and request you to consider my application for this role.

Looking forward to your positive response.

Thanking you

BADAL PAUL
