## Additional Information

- As educators, all of our work is driven by our passion for our students and the belief that every child deserves an excellent education. We believe it is our responsibility to inspire and equip all students to succeed in career, and life. We know that disparities in our public education system are linked to race, power, and privilege, and we take action to address these inequities.

## Objectives

- Seeing an opportunity to use my knowledge and experience to educate children and make them ready for today's world.
