8250596544

SUMMARY

Engaged students in the creative process, cultivating their talents while deepening their knowledge and understanding of art, design, and art history.

Designed school and community art installations that promoted creative collaboration and made school environment more personalized.

Managed student behavior and classroom routines to maximize learning time and create a positive classroom environment.

CAREER OBJECTIVE

I seek to assist students in developing artistic skills through creative drawing and painting activities. I efficiently teach art theory and history and impart my extensive knowledge on the students.
